National Division confirms that this is inaccurate information.

Operational Planning:

- RCMP received a call from SAA office (Paul Mellon) at 0644hrs, who expressed concern that MP's will not be able to access Parliamentary Precinct this morning. We reiterated that there is a plan in place, with all partners working close together, however, there are no guarantees as this possibility was conveyed at numerous meetings yesterday.
- Minister MENDICINO's driver reached out this morning to request assistance in getting the Minister into the Precinct for the resumption of Parliament. Plan in place to meet the driver at City Hall, transfer the Minister into one of our unmarked assets and make attempts to get him to West Block.
- Additional resources will be deployed to support the ingress/egress required. They will be positioned at City Hall, RCMP Leomont Building and at the Museum of Natural History (TBC).
- RCMP CIC deployed 3xRMs to assist SPVG with Chaudiere Bridge closure from 200hrs to 0700hrs. Support was requested from SPVG due to resourcing shortages.

Protective Clients and Protective Sites:

- PRU conducted extra patrols at various protected locations in the NCR, no issues to report.
- PMO has signaled that the PM is going to do a Media Availability today in the Ottawa-Gatineau area.

Communications:

- Nil updates at this time.
